

(1) The defendant, whose attorney has signed below, through his counsel, has submitted an application for Pretrial Diversion, and has requested additional time to allow for all

appropriate review of the application, and discussions concerning the terms of his participation in the program to take place;

(2) The United States and the defendant have jointly represented that the parties desire additional time to discuss a pre-indictment resolution to this matter, including the possibility of Pretrial Diversion, which would render any subsequent trial of this matter unnecessary; and

(3) Pursuant to Title 18, United States Code, Section 3161(h)(7), the ends of justice served by granting the continuance outweigh the best interest of the public and the defendant in a speedy trial.

IT IS, therefore, on this 30th day of August, 2018,

ORDERED that this action be, and it hereby is, continued from the date hereof through and including October 1, 2018; and it is further

ORDERED that the period from the date hereof through and including October 1, 2018 shall be excludable in computing time under the Speedy Trial Act of 1974.
